

Hello Everyone At Gladstone

Compliments of the seasons to you all and our warm regards and best wishes. Its yet another end of term, end of year and Christmas and new year celebrations for all around the world. Yes we have been expecting your letters by post all this while. However is equally good to exchange letters via email. We are able and capable to do alot with Gladstone Primary School via the internet because our ICT centre is internet compliant. We are still expecting the letters via email. Meanwhile it will be ideal to send the names of the pupils in advance so that we can pair them with our pupils. We have had an interesting and fulfilled term. We are about finishing our ist term 2014/2015 session. We shall be holding for the first in our school history, christmas carol on monday next week. We usually have end of year party. Hopefully next year will hold two of them. I will try to attach some pictures of our events this terms. Our warm regards and best wishes once more.

Merry...Merry christmas and a happy new year in advance.....Cheers
