

## **Definition of terms**

**Gifted** - Children within the top 5% of age related intellectual or academic ability.

**Talented** - Children within the top 5% of age related population in practical or creative fields.

**More Able** - Children who have the potential to or who are working above age related expectations in academic, practical or creative subject areas within the school but who do not fall into the other two categories.

***gifted & talented***
