

**14. How are parents involved in the setting/school/college? How can I be involved?**

Parents are encouraged to talk to the class teachers. We also have parent groups which parents can be involved in. If you wish to become involved in school life please talk to the Home School Link Workers, Mrs Rammell and Miss Corbett. We have an open door policy and our staff are always available for a 'quick chat' at the start and end of the school day. If you think the discussion would need to be longer then we ask that you make an appointment to see the relevant staff member.

We also use home/school diaries which parents are encouraged to write any concerns, questions or information in so that these can be addressed in school as quickly as possible.
