

Computing

I understand the needs for rules to keep me safe when exchanging learning and ideas online.

I recognise that information on the internet might not be accurate.

I understand the need for caution when using an internet search for images and what to do if I find an unsuitable image.

I understand the need to keep personal information and passwords private.

I understand that if I make personal information available online it may be seen and used by others.

I know how to respond if asked for personal information or feel unsafe about the content of a message.

I recognise that cyber bullying is unacceptable and will be sanctioned in line with the school's policy.

I understand the needs to develop an alias for some public online use.

I can design a sequence of instructions, including directional instructions.

I can write programs that accomplish specific goals.

I can work with various forms of input.

I can work with various forms of output.
