

Religious Education

I can use religious words and phrases to identify some features of religion and its importance for some people.

I can begin to show an awareness of similarities in religions.

I can identify how religion is expressed in different ways.

I can reflect on what it means to belong to a faith community.

I can ask and respond sensitively to questions about my own and others' experiences and feelings.

I can recognise that some questions cause people to wonder and are difficult to answer.
